OK. Shall I schedule it or did you want to?

Sounds good, I think 1-2 should be okay.

Let's go for Fri Dec 10, 1-2 pm? Or 12-2 if we need longer.

Hi Janette,

PM on Dec 10th works before 2PM.

Dec 14 and 15 should work – I may have some fieldwork going that week out of town, so not ideal but I expect that I can break away from that for the meeting and make those work.

Early the week of the 20th would likely work for us better than the week of the 14th if possible.

Thanks,

Tasya

Hi. I'm having a heck of a time finding a date that works for all of my folks. So far I've come up with these general times:

- afternoon of Fri Dec 10
- Tues Dec 14
- morning of Wed Dec 15

Do any of those work for DOF? We could look into the following week which is getting into holidays. Or wait until January. Or I can decide to not include all of us and pick something sooner. What works for you?

Hi Tasya. Rene and Howie have a conflict with the 11 am timeslot on Dec 2. We possibly could meet earlier that day but I would need to check with Aaron. What do you think? Feel free to give suggestions for times/days that work for all of you.
